Reduced Fee Spay & Neuter Program

At the **Angels Camp Veterinary Hospital** we have both a **Full Service** and **Reduced Fee Spay/Neuter** program.

In an effort to contribute to controlling the problem of pet over-population, we provide spay and neuter services at much reduced costs associated with major abdominal surgery.

Requirements:

- ✓ 4 months to 5 years of age
- ✓ be in good health
- ✓ be current on all **Angels Camp Veterinary Hospital** required vaccinations (can be done at the time of surgery)
- ✓ **No previous cesarean sections**
- ✓ **No bulldog breeds**

There will be an additional charge if your pet is pregnant*, in heat, overweight or if complications occur. The additional minimum charge for cats is \$12-21 and \$21-35 for dogs.

Animals are admitted for the **Reduced Spay/Neuter Program** between 7:30-8:30 a.m. and will be released between 5:30 and 6:00 p.m. on the same day.

No food or water after 8 p.m. on the evening prior to surgery.

*Significantly greater expense may be associated with pregnancies greater than ½ term

Prices subject to change without notice.
