Reduced Fee Spay and Neuter Program

Only for animals 12 months and younger

Angels Camp Veterinary Hospital offers both a Full Service and a Reduced Fee Spay and Neuter Program.

In an effort to contribute to the problem of pet overpopulation, we offer spay and neuter services at a much-reduced cost associated with major abdominal surgery.

Requirements:

- 12 months or younger
- In good health
- Current on all Angels Camp Veterinary Hospital required vaccinations.
 - These can be done at the time of service
- Body weight under 50lbs
- No previous Cesarean Sections
- No "flat-faced" breeds
- No Cryptorchid

This Program does not include:

- Presurgical lab work
- Overnight Hospitalization
- Follow-up recheck and suture removal
- Cardio-pulmonary monitoring
- IV Catheter and fluids

Animals are admitted for the Reduced Spay and Neuter Program between 7:30-8:30am and will be released between 4:00-5:00pm the same day.
